SUBJECT: RECRUITMENT POLICY — 2022

Recruitment is the process by means of which eligible candidates are identified, attracted and selected against vacant positions. Through this process the best candidates are chosen from the pool of qualified applicants. It is extremely important to select the right person for the right job because a bad choice can affect the outcome of overall official business. Hence, recruitment is deemed as a key strategic activity in the public sector. The pressing need for departments is to develop capacities for merit-based recruitment. The right process reflects on the department's capability in engaging the right talent, thus assisting in meeting the long-term objective of good governance. It is for this reason that this policy intervention is being made for guidance of departments. The departments, on their part, are legitimately expected and legally required to make selection for any public office on the basis of ability and merit, rather than on the basis of class, caste, creed, colour, patronage, patrimony, ideology, or wealth. They will meet the pre-requisites for merit by ensuring competitive process, protection from extraneous influence, equal opportunity to compete for appointment, fairness and equity in the treatment of candidates. This Policy is being issued to achieve merit and enhance the credibility of the recruitment process. With requisite organizational support and administrative resources at their back, the Appointing Authorities

are expected to demonstrate authority, capability and commitment to implementing the Recruitment Policy.

2. CONSTITUTIONAL / LEGAL FRAMEWORK FOR RECRUITMENT

- i) Article 18 of the Constitution of Islamic Republic of Pakistan confers on every citizen the right to enter upon any lawful profession or occupation, subject to such qualifications as may be prescribed by law.
- ii) Article 27 of the Constitution provides that no citizen, otherwise qualified for appointment in the federal or provincial service, shall be discriminated against in respect of any such appointment on the ground of race, religion, caste, sex, residence or place of birth. However, in the interest of the said service, specified posts or services may be reserved for members of either sex if such posts or services entail the performance of duties and functions which cannot be adequately performed by members of the other sex. Moreover, the Provincial Government, or any local or other authority in the Province, may prescribe, in relation to any post or class of service under that Government or authority, conditions as to residence in the Province.
- iii) Section 4 of the Punjab Civil Servants Act 1974 provides that appointments to a civil service of the province or to a civil post in connection with the affairs of the province shall be made in the prescribed manner. Such manner is prescribed in the relevant service rules in terms of Rule 3 (1) of the Punjab Civil Servants (Appointment and Conditions of Service) Rules 1974, according to which appointments shall be made either by promotion or by transfer or by initial recruitment.
- iv) Under Section 13 (1) of the Punjab Civil Servants Act, 1974, retired government servants are not eligible for appointment either on regular or on contract basis, except under the provisions of Re-employment Policy 2003.
- v) As per Rule 20 of the Punjab Civil Servants (Appointment and Conditions of Service) Rules 1974, vacancies shall be filled in accordance with merit on all Punjab basis from amongst the persons domiciled in the Punjab.
- vi) Rule 18 of the Punjab Civil Servants (Appointment and Conditions of Service) Rules 1974 makes it binding on a candidate for initial appointment to possess the prescribed educational qualifications and experience and also, except as provided in the rules framed for relaxation of age limit, must be within the prescribed age limit. Where recruitment is to be made after written examination, age shall be reckoned as on the first of January of the year in which the examination is proposed to be held; and in other cases, as on the last date fixed for submission of applications for appointment.

- vii) Rule 16 of the Punjab Civil Servants (Appointment and Conditions of Service) Rules 1974 provides that initial recruitment on regular basis to the posts in BS-16 and above and such other posts in BS-11 to BS-15, as are notified by the Government, shall be filled on the recommendations of the Punjab Public Service Commission.
- viii) Under Rule 17 of the Punjab Civil Servants (Appointment and Conditions of Service) Rules 1974, the posts which do not fall within the purview of Punjab Public Service Commission, are to be filled by the appropriate committees/board. Moreover, Rule 17 ibid requires that initial recruitment against all posts in BS-1 and above shall be made on merit after advertisement of vacancies in newspapers.
- ix) Appointment to posts reserved for initial recruitment may be made either on regular or on contract basis depending upon the government policy in vogue.

3. **ROLE OF SELECTION AUTHORITIES**

It is not advisable to leave recruitment process to the sole discretion of appointing authorities. A group of persons after exercising collective wisdom may discharge the responsibility for making recommendations for recruitment in a professional and objective manner. Therefore, the Punjab Public Service Commission and Special Selection Boards or Recruitment Committees, as the case may be, are better placed to conduct the recruitment process on merit. The Punjab Public Service Commission is a specialised body for making selection on behalf of the government against the posts to be filled through competitive examination. It has adequate authority, capability, institutional commitment and organizational support to achieve merit. Therefore, the role of making both contract and regular recruitment may be assigned to the Commission which has the expertise to do the job in an objective and professional manner. Thus this policy also recommends strengthening the capacity and enhancing the role of the Commission to conduct recruitment process for maximum number of posts.

4. **REGULAR OR CONTRACT MODES OF RECRUITMENT**

Besides, the departments are authorized to refer the cases to the PPSC for recruitment against posts to be filled on contract for a period not less than two years. Hence, the Departments should generally prefer the channel of PPSC even for contractual appointments. Even in cases where the posts do not fall in the purview of the PPSC, the departments may opt for PPSC after approval of the Chief Minister who has the authority to refer any posts to the Commission for recruitment under Rule 3 (1)(iii) of the Rules *ibid*. The Departments are advised to adhere to the following guidelines while making appointments on contract basis:
